

**TFAWS**  
MSFC • 2017

# 28th Annual **Thermal** and **Fluids** Analysis Workshop (TFAWS)

- August 21 to 25, 2017 • The Westin at Bridge Street Town Centre • Huntsville, AL
- Hosted by NASA Marshall Space Flight Center (MSFC)
- Sponsored by the NASA Engineering and Safety Center (NESC)

**Purpose:** To provide a forum for knowledge sharing, professional development, and networking throughout the thermal and fluids engineering community of NASA, universities, and the aerospace industry worldwide.

---

### Featuring:

- Paper sessions
- Hands-on software training
- Hardware demonstrations
- Technical short courses
- Guest speakers
- Tours of Marshall Space Flight Center

### Audience:

- Engineers
- Scientists
- Industry
- Government
- Educators
- Students

### Technical Areas of Focus:

- Active Thermal/Fluids & Life Support
- Aerothermal
- Passive Thermal
- Interdisciplinary

- 
- All levels of experience are welcome
  - **FREE REGISTRATION** for all attendees
  - Visit us at <https://tfaws.nasa.gov> for more information and to register online
- 

## Call for Submissions

### Paper Sessions

Abstracts due **May 19**. Send to:  
[MSFC-TFAWS2017Papers@mail.nasa.gov](mailto:MSFC-TFAWS2017Papers@mail.nasa.gov)

### Short Courses

Course abstracts due **May 19**. Send to:  
[Manish.Mehta@nasa.gov](mailto:Manish.Mehta@nasa.gov)

### Poster Session

Intent/brief description due **May 19**. Send to:  
[MSFC-TFAWS2017-Posters@mail.nasa.gov](mailto:MSFC-TFAWS2017-Posters@mail.nasa.gov)

### Vendors (Booths, Demos, Training)

Sign up by emailing vendor form to  
[MSFC-TFAWS2017@mail.nasa.gov](mailto:MSFC-TFAWS2017@mail.nasa.gov)

Visit <https://tfaws.nasa.gov> for detailed information on submissions.  
Contact [MSFC-TFAWS2017@mail.nasa.gov](mailto:MSFC-TFAWS2017@mail.nasa.gov) with general questions.
