

32nd Annual Thermal and Fluids Analysis Workshop (TFAWS)

August 24-26, 2021

VIRTUALLY on a computer near you!

PURPOSE: To provide a forum for knowledge sharing, professional development, and networking throughout the thermal fluids engineering community of NASA, universities, and the aerospace industry worldwide.

FEATURING:

Paper sessions
Hands on software training
Technical short courses
Guest speakers

AUDIENCE:

Engineers
Scientists
Industry
Government
Educators
Students

TECHNICAL AREAS OF FOCUS:

Passive Thermal
Active thermal
Aerothermal
Cryothermal
Interdisciplinary

Call for submissions: Paper session, short course, poster session abstracts due **July 2, 2021**

Send all submissions to TFAWS2021_papers@jpl.nasa.gov

Vendors (Booths, Demos, Training): Sign up by emailing vendor form to: TFAWS2021_Vendors@jpl.nasa.gov

NASA
